

Odyssey

We are a values-based organisation changing the lives of clients and staff.

Our organisation is based on a therapeutic community model, and has grown from one staff member in 1980 to now provide employment and personal development opportunities for over 140 staff.

Odyssey people bring diverse abilities to our adult, family, CED (co-existing disorders) and youth programmes across seven residential treatment centres and four community programmes in Auckland and Whangarei.

Our portfolio also includes the AOD Treatment Courts Network, school programmes and collaborative partnerships with district health boards and other AOD providers.

Odyssey is also the development fund holder for the AOD Provider Collaborative.

To find out more about placements at Odyssey, visit our website www.odyssey.org.nz, or contact the Human Resource Coordinator at 09-623 1447 ex.712, or email HRadmin@odyssey.org.nz

▶ PLACEMENTS AVAILABLE

Year 3 undergraduate placements are available each year. The number and duration of placements are dependent on programme capacity and the student's placement requirements at the time of application.

▶ DEADLINE FOR APPLICATION

Open all year.

▶ WHAT MIGHT I EXPECT TO LEARN?

Roles are typically a mix of assessment, admission and residential programme experience.

All placements are supervised by a senior member of the clinical staff.

Placement students will experience client-facing work within a complex and challenging sector in a supported learning environment.
